## **POLICY MANUAL OVERVIEW AND INTRODUCTION**

An organization is subject to public law and such other rules it adopts to govern its operation. The rules governing the Libertarian National Committee, Inc. are as follows and supersede each other in the order listed:

- **Corporate Charter:** The legal instrument conforming to state and federal laws. The Libertarian National Committee, Inc. is incorporated in the District of Columbia and is subject to its laws.
- **Bylaws:** Prescribe how the organization shall function. They may not be suspended, except for clauses that provide for their own suspension or clauses clearly in the nature of rules of order.
- **Special Rules of Order:** Relate to rules for orderly transaction of business that differ from those contained in the adopted parliamentary authority.
- **Rules of Order:** Relate to orderly transaction of business. These are usually contained in the adopted parliamentary authority, which in our case is the current edition (11<sup>th</sup>) of Robert's Rules of Order, Newly Revised (RONR).
- **Standing Rules:** Relate to details of administration. They are adopted as the need arises. Special categories of Standing Rules include:
  - Staff Orders – orders to staff by the Libertarian National Committee; and
  - Executive Orders – orders to staff by the Chair.

This Policy Manual is a compilation of the rules governing the Libertarian National Committee, Inc. not already reflected in its corporate charter, bylaws or rules of order.

## **Article I. SPECIAL RULES OF ORDER**

Special Rules of Order are rules for orderly transaction of business (i.e. relating to parliamentary procedure) that differ from those contained in the adopted parliamentary authority. They are superseded only by the Bylaws, the Corporate Charter and any applicable procedural rule prescribed by federal, state or local law, unless the rules in such documents specifically provide for their own suspension.

A special rule of order may be adopted, amended, rescinded or suspended. Adoption, amendment, or rescission requires either (a) a two-thirds vote with previous notice or (b) a vote of a majority of the entire membership of the Libertarian National Committee. Suspension requires a two-thirds vote of the Libertarian National Committee. Rules that have their application outside of the session which is in progress cannot be suspended, but can be rescinded or amended.<sup>2</sup>

The Secretary shall maintain a complete copy of this Policy Manual.

The Secretary is authorized to propose corrections to formatting, spelling, grammar, capitalization, punctuation, article and section designations, cross-references, and such other technical and conforming changes as may be necessary to the Policy Manual, provided such changes would have no effect on the meaning of the adopted Terms, Definitions, Rules, and Orders.

The Secretary may propose adding or amending annotations in the form of endnotes and introductory language to provide relevant references to authoritative statutes, the Party's Corporate Charter and Bylaws, the parliamentary authority, and explanations as to how Special Rules of Order differ from the parliamentary authority.

The Secretary shall promptly submit such proposals to the LNC, along with any written opinions provided by the Party's parliamentarian. These proposals shall be considered adopted thirty days thereafter or upon the close of the next LNC meeting, whichever is sooner. The LNC may veto such proposals by majority vote prior to adoption.

Recordings shall be made and minutes shall be taken on any other topic. Immediately upon return to Open Session, the LNC may by a majority vote order its destruction or – by a two-thirds vote – incorporate such recordings and minutes into its public records. A participant in an Executive Session may publicly disclose information discussed in Executive Session, if the same information is publicly available from other sources, not as the result of a participant's misconduct, and the participant does not reveal that it was discussed in Executive Session;<sup>19</sup> or the LNC, and all the participants in the Executive Session,<sup>20</sup> first consent to its release.

## **6) Meeting Minutes**

In addition to the requirements articulated by RONR, the meeting minutes shall include the following:

Meeting minutes for LNC electronic meetings or face-to-face meetings involving travel to a single site may be promoted from draft status to official during the time between LNC meetings as follows<sup>23</sup>:

- Draft minutes shall be mailed or emailed to all LNC Members not more than 15 days after each meeting.
- Attendees may submit corrections, clarifications and changes to the draft minutes for the Secretary's consideration for a period of 15 days following the distribution of the draft minutes. The Secretary shall distribute an updated version of the draft minutes not later than 7 days following the end of that submission period.
- The updated version shall be deemed official if no LNC Member challenges the content to the Secretary within 7 days of the distribution of the updated version. These provisions are void if the Secretary fails to distribute the draft minutes of a meeting within 15 days after that meeting, or fails to distribute an updated version as described above.

**7) Electronic Meetings**

- a) The term “electronic meeting” within these electronic meeting rules shall be construed to include teleconferences and videoconferences.
- b) The term “committee” within these electronic meeting rules shall be construed to include both the LNC (as the board of the Libertarian Party) as well as committees.
- c) All videoconferences will be conducted via the Adobe Connect (Citrix) service, hereinafter referred to as Adobe Connect.
- d) Electronic meetings may be called by either:
  - The committee Chair, or
  - 1/3 of the committee members or 2 committee members, whichever is greater.However, the call of an electronic meeting can be canceled if a majority of the committee members email a cancellation request to the entire committee prior to the scheduled time of the meeting.
- e) Each committee member calling for an electronic meeting must do so by emailing the entire committee and specifying the date of the meeting, time of the meeting, and the topic(s) to be addressed. Meetings must be so called no fewer than 2 days in advance for committees with fewer than 10 members, or 7 days in advance for committees with 10 or more members. These time limits do not apply to the LNC's Executive Committee, the LNC's Advertising and Publications Review Committee, or the Judicial Committee.
- f) For electronic LNC meetings, messages calling or vetoing a meeting must be sent on the LNC-Business email list.
- g) When a sufficient number of people have issued a call for an electronic meeting, the committee Chair or Secretary shall issue a notice of the meeting to each member and alternate of the committee. In addition to the standard notice content, the meeting notice shall describe how to participate in the meeting.
- h) Each participant must provide his own equipment and connectivity, including but not limited to any computer, internet access, web camera, microphone, earphones, or telephone. Members and alternates have the right to participate in an electronic meeting by telephone, however they should use a computer connection if feasible so as to be able to more fully use the Adobe Connect features. The organization is not responsible for providing a central location for physical attendance of an electronic meeting. For face-to-face meetings, electronic participation is not allowed.

**Libertarian National Committee Policy Manual**  
**Special Rules of Order**

- i) Each participant must accurately identify himself by name when joining the meeting. Videoconference participants other than members or alternates of the committee must precede their sign-in name with “zz” so as to group them at the end of the alphabetical participant list.
- j) Electronic meeting participants must try to eliminate, as much as possible, background noise, echoes, and call waiting interruptions. Participants shall not place their telephone connection on hold if the system has music or messages playing while in that mode.
- k) All participants legally consent to having the meetings recorded, should the committee opt to do so.
- l) Electronic meetings are special meetings such that only the topics listed in the call of the meeting may be considered during the meeting.
- m) For original main motions, the committee Chair or Secretary shall document the time at which the vote tally was announced. A person eligible to vote who was present during the debate of the motion but who lost his connection to the meeting may still reconnect to the meeting and cast his vote on the motion no more than 5 minutes after the announcement of the vote tally.
- n) If the committee permits, participants other than members or alternates of the committee may observe videoconferences using Adobe Connect (and not by a toll-free number) with their web cameras off and their microphones muted.
- o) The LNC Secretary shall promulgate these rules to all members/alternates of each committee upon notice of their election or appointment.

The Secretary shall maintain a register of all declared potential conflicts of interest by LNC members. This register will be presented and distributed to all LNC members at each regular LNC meeting.

**3) Employment Terms**

Employment agreements shall require adherence to the Bylaws and policies adopted by the LNC as a condition of employment.

Employment agreements shall specify in writing that registering as delegate to any national party convention constitutes an immediate resignation of employment.

No employee of the Party shall be a member or alternate of the LNC or any Bylaws-specified committee.<sup>37</sup> Any person employed by the Party shall be terminated immediately upon his or her acceptance of election or appointment to the LNC or any Bylaws-specified committee.

Except as otherwise authorized in this Policy Manual, no employee of the Party shall endorse, support, or contribute any money, use his or her title or position, or work as a volunteer, employee, or contractor to aid:

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 22 of 70**

- any candidate for public office prior to nomination, or
- any candidate for Party office

This shall not preclude any Party employee from being a candidate for public office.

#### **4) Harassment and Offensive Behavior Prohibition**

The Libertarian Party is founded on the key principles of liberty, responsibility, and respect. With that foundation, it is to be expected that libertarians treat each other with professional respect, thoughtful consideration, and fundamental decency. Violation of this expectation by members of the Party not only risks substantial legal penalties, it also undermines the very legitimacy of the Party and the honor of its members. Violation of this expectation by members of the LNC, whether towards other LNC Members or HQ staff, is therefore especially egregious. To prevent such inappropriate behavior, the following standards must be observed:

- All collective deprecation, whether alluding to sex, race, color, national origin, disability, age, religion, or any other protected category, must be avoided. Every person is a unique individual, and as the Libertarian Party is the Party of Individual Liberty, this injunction should doubly apply.
- Sexual harassment, like other forms of harassment, is prohibited. Sexual harassment includes unwelcome sexual advances, requests for sexual favors or any other conduct of a sexual nature when: (1) submission to the conduct is made either implicitly or explicitly a condition of employment; (2) submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee; or (3) the harassment has the purpose or effect of unreasonably interfering with the employee's work performance or creating an environment that is intimidating, hostile or offensive to the employee.
- Any behavior, whether verbal or physical, that clearly offends a reasonable person – libertarian or not – must be avoided. Libertarianism is a philosophy of respect for the individual, and must not be presented as being in harmony with behavior generally regarded as offensive.
- Any interaction which might be interpreted as abusing the apparent employer-employee relationship must be avoided. This applies to interactions of LNC Members with staff, and is to be extended to interactions with any consultant hired by the LNC.

You must exercise your own good judgment to avoid any conduct that may be perceived by others as harassment. The following conduct could constitute harassment:

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 23 of 70**

- unwanted physical contact
- racial or sexual
- epithets
- derogatory slurs
- off-color jokes
- sexual innuendoes
- unwelcome comments about a person's body
- propositions
- leering
- unwanted prying into a person's private life
- graphic discussions about sexual matters
- suggestive behavior, sounds, gestures or objects
- threats
- derogatory posters, pictures, cartoons or drawings

As a rule of thumb, if you think it might be offensive, it probably is.

Toward ensuring that all LNC Members are thoroughly familiar not only with this policy but also the ramifications of it, they must participate in a standard program of exposure to the issues raised by these concerns. The Chair is responsible to select the content of this training program, in consultation with Counsel, and participation should be arranged at the earliest practicable opportunity after the person becomes an LNC Member.

Any agreement that the LNC enters into with an affiliate must stipulate that the affiliate incorporate the principles set forth in the policy.

Any violation of this policy should be brought to the attention of the Chair, or the Chairman of the Judicial Committee. In response to every complaint, LNC will take prompt and necessary steps to investigate the matter and will protect the individual's confidentiality, as much as possible, recognizing the need to thoroughly investigate all complaints. LNC will take corrective and preventative actions where necessary. LNC will not retaliate against any individual who in good faith brings a complaint to the attention of LNC or participates in an investigation regarding a complaint. Any employee who violates this policy is subject to discipline, up to and including discharge.

Violations of this policy may result in disciplinary action against the perpetrator.

**Section 2.02      COMMITTEE SCOPE AND RESPONSIBILITIES**

**1) Committee Reports**

At each regular LNC meeting, each committee created by the LNC will at minimum provide a written report noting the dates and attendance rosters for each of their meetings since the previous regular LNC meeting.

**2) Advertising & Publication Review Committee**

The APRC shall review and advise whether public communications of the Party violate our bylaws, Policy Manual or advocate moving public policy in a different direction other than a libertarian direction, as delineated by the Party Platform.

Public communications may be defined in either of two categories: time-sensitive or enduring.

- Public communications that are of a time-sensitive nature, namely mass e-mails, news releases, twitter posts and blog entries, shall be made available to the APRC upon their publication.
- Public communications that are of a more enduring nature, such as LP News, Liberty Pledge News, self-published party literature and fundraising letters, shall be made available to the APRC before the final proof is approved for printing and distribution.

Staff may seek advance advice from the APRC on any proposed communication.

Staff may reasonably conclude that the failure of the APRC to provide advice in a timely manner is tantamount to the committee's approval.

- In the case of public communications that are of a time-sensitive nature, a response is considered timely if made within six hours of staff's submission of the subject matter to the committee, if submitted prior to its publication; and within forty-eight hours, if submitted after its publication.
- In the case of public communications that are of a more enduring nature, a response is considered timely if made within twenty-four hours of staff's submission of the subject matter to the committee.

If a majority of the committee concludes that a public communication violates the bylaws, Policy Manual, or advocates moving public policy in a different direction other than a

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 25 of 70**

libertarian direction, as delineated by the Party Platform, the committee chair shall report such to the Executive Director and the LNC Chair, citing the specific platform plank, bylaw or Policy Manual section. Official decisions of the APRC which are overridden shall be promptly reported to the LNC without revealing confidential employer-employee matters.

Communications between the APRC, staff, and the LNC Chair are in the nature of confidential employer-employee communications. However, the APRC may by majority vote agree to consult with other relevant individuals about matters which come before it, conditioned upon the prior agreement by such individuals to maintain confidentiality of the discussions. The LNC Chair in his bylaws-defined role as Chief Executive Officer of the Party retains the sole right to discipline and discharge employees who repeatedly contravene official party positions.

### **3) Affiliate Support Committee**

For any affiliate not in a region, the Vice-Chair will serve the same intermediary role that Regional Representatives serve for the affiliates in their respective regions.

The Affiliate Support Committee (ASC) shall identify the needs and interests of the various affiliates. In addition, the ASC shall identify those affiliates that are in particular need of assistance that the LNC can provide.

The ASC shall deliver a report to the LNC for the last LNC meeting of each calendar year, identifying and prioritizing those needs and interests of the various affiliates. This ranked list shall be taken into consideration when drawing up the following year's budget, and throughout the year as needed. This list will also assist the Executive Director in deciding how to assign tasks to staff, by identifying those services that staff provides to the affiliates that are the most desired.

The ASC shall also, as and when needed, recommend to the LNC measures that will address the particular affiliates that need assistance from the LNC.

The ASC will also establish a process for tracking the progress in meeting those needs.

### **4) Audit Committee <sup>38</sup>**

The Audit Committee's tasks are to select an independent audit company and to direct the scale and scope of standard annual audits of the Party's accounting records and processes. Following receipt of the audit company's report, the Committee shall help the LNC interpret the audit results and assist the latter in preparing any action plans that might be needed to alleviate deficiencies.

**5) Awards Committee**

For the convention awards described below, the Awards Committee shall set the budget, manage the nomination process, select the award winners by committee vote, secure the awards, and present the awards at the convention.

The award descriptions are:

*Thomas Jefferson Leadership Award* with recognition of outstanding leadership, high character, and dedication to the principles and goals of the Party.

*Patrick Henry Candidate Award* with recognition of a very effective campaign for public office at the state or federal level, while communicating Libertarian ideas, principles, and values.

*Thomas Paine Communication Award* with recognition of outstanding communication of Libertarian ideas, principles, and values through written, published, or spoken communication.

*Samuel Adams Activism Award* with recognition of effective activism by building Party membership, organizing community outreach, or communicating Libertarian principles.

*The Hall of Liberty* induction is to honor lifetime or significant achievement that has made a lasting impact on the Libertarian Party and/or libertarian movement.

With a majority vote the committee may select recipients of the Thomas Jefferson, Samuel Adams, Thomas Paine, and Patrick Henry awards. While the committee has discretion as to the frequency of such convention awards, it is hoped that at least one recipient will be found worthy for each award at each regular convention.

With a unanimous vote the committee may select recipients of the Hall of Liberty award, with up to 3 inductees per convention. While the committee has discretion as to the frequency of this convention award, it is hoped that at least one recipient will be found worthy for each presidential nominating convention.

**6) Convention Oversight Committee**

The Convention Oversight Committee shall make recommendations for convention sites to the LNC, but the LNC shall choose the site. On other matters concerning the Party's conventions, the committee shall act on behalf of the LNC, including:

- conveying requirements to convention planners.

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 27 of 70**

- ensuring the convention meets the Party's needs.
- reviewing and approving in a timely manner major elements, such as contracts, the convention budget and the convention program.

The committee shall periodically report its decisions and actions to the LNC. The committee may begin its work as soon as its members from the LNC are appointed.<sup>39</sup>

During the 90 days following a convention, the committee shall make a final report to the LNC of actual versus expected convention performance, and the committee shall update the online convention archive with information comparable to what the archive contains for past conventions.

### **7) Employment Policy and Compensation Committee (EPCC)**

The Employment Policy and Compensation Committee shall develop documents, procedures, and guidelines for the effective administration, supervision and development of Staff, including but not limited to job descriptions, compensation ranges, hiring, training, performance reviews, promotion, progressive discipline and termination. The LNC may supersede any such documents, procedures and guidelines by adopting a replacement.

The Employment Policy and Compensation Committee shall also be available to Staff to discuss on a confidential basis the working environment or observed violations of the Policy Manual.

Following General Counsel's review of a director-level employment contract, the EPCC shall review the proposed contract and any related advice from General Counsel. No such contract may be signed by the Chair without having first obtained either EPCC approval of the contract at least 10 days prior, or an affirmative vote from a majority of the fixed membership<sup>40</sup> of the LNC.

### **8) Information Technology Committee**

The IT Committee shall

- Work with staff and state chairs to identify the Information Technology needs of the LP;
- Discuss with staff and state chairs the anticipated IT needs and how to meet those needs;
- Survey the list of possible vendors and solutions to those needs, and reduce the list to a small number;

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 28 of 70**

- By the LNC meeting following the convention, the committee will recommend to the LNC an implementation of the IT tools that will best satisfy those needs within the budgetary constraints of the Party;
- Monitor progress in the transition and implementation to that solution as it pertains to HQ;
- Monitor progress in the transition and implementation to that solution as it pertains to relations with the various affiliates; and
- Propose standards for transfer of data between HQ and the affiliates.

Nothing in this policy should be construed as requiring staff to consult with this Committee for routine changes or any changes that are not expected to have an effect on the way HQ deals with any affiliate. Any change to the Information Technology at HQ that will affect the way finances are handled or the way FEC reports are generated must be approved by the Treasurer.

**9) Ballot Access Committee**

The Ballot Access Committee shall:

1. With the assistance of staff, collect and analyze information of all affiliates concerning ballot access needs.
2. Recommend to the committee as a whole the implementation of specific strategies and projects consistent with current budget allocations for ballot access.
3. Proposed strategies and/or projects shall represent the best use of budgeted funds allocated among the various acceptable ballot access techniques such as, but not limited to, petitioning, lobbying, litigation, public awareness, and collaboration with other organizations which are pursuing the goal of liberalizing ballot access laws.
4. With the assistance of staff, prepare and present ballot access reports at each general LNC meeting in a spreadsheet form which will include:
  - a. The specific affiliate(s) which is intended to benefit from the effort

### **10) Financial Exigency**

**16) Presidential Campaign Support Fund**

There is established a Libertarian Party Presidential Campaign Support Fund. This fund shall consist of dedicated contributions and optional allocations by the LNC for the express purpose of supporting the LP Presidential ticket. Fundraising appeals for these encumbered funds may be made at any time. Money from this fund may only be spent after the adjournment of a presidential nominating convention and before December 1st of the year of the following general election. Any money unspent by the general election shall remain in the fund. Funds may be spent on any lawful activity that directly benefits the LP presidential campaign, including but not limited to: advertising, press releases, LP support staff expenses, printed materials, signs, websites, direct mail, email, events, get out the vote efforts, and legal matters.

**17) Office Mortgage**

It shall be the goal of the LNC to completely pay off the office mortgage as quickly as possible, and in any case prior to the due date of the 10-year balloon payment. Towards that end the LNC shall budget a minimum of \$60,000 in each odd-numbered year to pay down the principal until the mortgage balance is zero. Fundraising for this specific purpose shall be made a high priority. This provision does not preclude additional fundraising and pre-payments in even-numbered years.

The Chair shall approve any contract in excess of \$7,500.

All contracts of more than one year in duration or for more than \$25,000 shall be reviewed and approved by General Counsel prior to signing by the Chair.

No agreement involving a financial transaction with a related party shall be executed unless first approved by the LNC. Any such agreement shall be disclosed in a conflict of interest statement.

**Section 2.06      PARTY COMMUNICATIONS**

**1) Official Spokesperson**

The Chair represents and serves as the chief spokesman of the Party as appropriate, including:

- representing the Party to the public, including the business community, media, other political and educational organizations, government agencies, and elected officials;
- planning and directing all investigations and negotiations pertaining to cooperative efforts of the Party with non-libertarian political organizations and the acquisition or sale of major assets;
- maintaining systems of internal and external communication, including providing a quarterly chair's report to all LNC Members.

**2) Graphic Symbols**

The Statue of Liberty graphic and the Torch Eagle graphic are considered the appropriate graphic symbols to be used on Party materials.

**3) Literature**

All reprints of Party literature shall be required to show credit to the author if such credit is given on the original. All wording on material produced by the Party shall be regarded as integral to the piece, and no wording shall be added to materials after approval of their form and content by the LNC. This requirement shall not apply to copyrights, addresses, etc. All materials for public distribution will carry the designation "Libertarian Party."

**4) LP News**

LP News is the name of the Party's newsletter and as such is the principal regularly issued publication of the Party. It is the major communications medium of the party. It conveys the Party's message and self-image to all who receive it. It serves as the one unifying publication for the political views within the Party.

The LP News shall be published in a tabloid format. The frequency of publication shall be at least bimonthly unless the Chair decides that frequency is inconsistent with the approved budget or the Party's current financial condition. The number of pages per issue and the circulation per issue shall be the responsibility of the Chair consistent with the approved budget and the Party's current financial condition.

**Libertarian National Committee Policy Manual**  
**Standing Rules**  
**October 31, 2015**  
**Page 43 of 70**

The selection of articles, their layout and the graphics for LP News, the relative amount of space assigned to articles, advertisements, Party announcements, and regular features shall be the responsibility of the Chair except as detailed in this Policy Manual.

The LP News is distributed to three major groups: Party members and contributors, media representatives, and prospective members. The LP News shall address itself primarily to Party members and its role shall be complementary to other publications within the libertarian movement.

The LP News shall focus on three types of articles:

- those providing a libertarian perspective on current issues along with how and why this perspective differs from that of other political parties;
- those providing information on libertarian, libertarian oriented and Party activities around the U.S. and the world; and
- those discussing the tactics and strategy of Party political activities.

This leaves to other publications the areas of scholarly articles, in-depth analysis of current issues, regular coverage of the arts (book and film reviews), analysis of libertarian movement (as opposed to Party) tactics and strategy, in-depth debate of questions on which there is no libertarian consensus, critique of individuals within the libertarian movement, and reporting of routine state and local activities and personalities.

The proper tone for all articles is factual and even-handed. "Mainstream" political rhetoric shall be used to present "radical" libertarian ideas. "Buzz words" and "libertarian jargon" shall be avoided in order to make the LP News appealing to the broadest possible readership. Personal attacks on persons and institutions within the libertarian movement are to be avoided.

The articles in LP News shall, on the whole, represent the core ideas of agreement in the Party. No articles shall be published which contradict the Party Platform. Articles which address areas where the Platform is silent may be published provided that they are noted as representing the opinions of the author only and not those of the Party.

Recommendations appearing in the LP News for the study of Internal Education material not produced by the Party shall be accompanied by a disclaimer to the effect that they may contain material inconsistent with the Platform. The only authoritative statement of Party positions is contained in the Platform.

No classified advertising shall be accepted. All advertisements will be clearly labeled as such.

A directory of state and Party contacts shall be included at least once each year. Information on where to find a directory of contacts online shall be published monthly.

If such contributions are made, they shall be made only after such candidate or campaign has agreed to meet the reasonable financial and budgetary controls set by the LNC. <sup>1</sup> Other terms defined in the Bylaws may also be included in this document.

<sup>2</sup> See RONR, p. 260 lines 19-22, p. 264 line 29-p. 265 line 23.

<sup>3</sup> Normally, alternates may only fill vacancies, not absences. However, Bylaw 8.1 authorizes the LNC to delegate its authority to others, otherwise only members could participate in meetings. In the absence of this rule, the only role for alternates would be voting in mail ballots, in accordance with Bylaw 14.

<sup>4</sup> In the absence of this rule, RONR p. 459 states that the Secretary would be responsible for preparing “prior to each meeting an order of business for the use of the presiding officer, showing in their exact order, under the correct headings, all matters known in advance that are due to come up and – if applicable – the times for which they are set.”

Note: RONR p. 82 defines session as a “meeting or series of connected meetings devoted to a single order of business, program, agenda or announced purpose, in which—when there is more than one meeting—each succeeding meeting is scheduled with a view to continuing business at the point where it was left off at the previous meeting.”

<sup>5</sup> LNC is delegating its authority in accordance with Bylaw Article 8.1, which states “The National Committee may delegate its authority in any manner it deems necessary.” In the absence of this rule, all authority would be retained by the LNC.

<sup>6</sup> RONR p.598-599 authorizes an assembly to delegate technical changes of documents, provided they do not change the meaning. In the absence of this Rule, virtually all changes would require a vote of the LNC.

<sup>7</sup> There are two divisions of main motions, original main motions and incidental main motions. See RONR pp.100-102.

<sup>8</sup> In the absence of this rule, the procedure for providing previous notice is as described in RONR on pp.121-124, and varies depending on whether there is more than a quarterly time interval between meetings. In the case where there is no more than a quarterly time interval between meetings, the announcement must be made at the previous meeting. In the case where more than a quarterly time interval exists between meetings, the member gives notice to the Secretary, who sends it out with the call of the meeting.

In the absence of this rule, previous notice would not require the full text of the motion or resolution, only an accurate and complete statement of purport.

Note: RONR p. 82 defines session as a “meeting or series of connected meetings devoted to a single order of business, program, agenda or announced purpose, in which—when

there is more than one meeting—each succeeding meeting is scheduled with a view to continuing business at the point where it was left off at the previous meeting.”

Note: A motion to adopt, amend or rescind a special rule of order requires either (a) a two-thirds vote with previous notice or (b) a vote of a majority of the entire membership of the Libertarian National Committee. See RONR, p. 17 lines 28-31, p. 87 line 33 – p. 88 line 5, p. 265 lines 19-23, p. 390 lines 13-15.

<sup>9</sup> In the absence of this rule, we would follow the default of order of business as described in RONR beginning p. 353.

<sup>10</sup> In the absence of this rule, changing the order of the agenda requires amending something previously adopted, which requires a 2/3 vote or a majority of the entire membership of the LNC or unanimous consent. See RONR p. 373.

<sup>11</sup> In the absence of this rule, Roberts requires a suspension of the rules (two-thirds vote) to allow a nonmember to speak in debate. See RONR p. 263 footnote.

<sup>12</sup> RONR on p. 96 states “A member can be punished under disciplinary procedures if he violates the secrecy of an executive session. Anyone else permitted to be present is honor-bound not to divulge anything that occurred.”

<sup>13</sup> In the absence of this rule, the LNC could enter executive session for any reason with only a majority vote, and there would be no such content requirements for the motion to enter executive session. RONR p. 95 states that “a motion to go into executive session is a question of privilege, and therefore is adopted by a majority vote.”

<sup>14</sup> In the absence of this rule, it would only require a majority vote rather than a two-thirds vote to enter executive session for these reasons. RONR p. 95 states that “a motion to go into executive session is a question of privilege, and therefore is adopted by a majority vote.”

<sup>15</sup> In the absence of this rule, action can be taken in executive session. RONR on p. 96 states, “the minutes, or record of proceedings, of an executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes – that is, the action taken, as distinct from that which was said in debate – was not secret, or secrecy has been lifted by the assembly.”

<sup>16</sup> In the absence of this rule, a motion would be required before allowing debate. RONR p. 34 “Unless the assembly has specifically authorized that a particular subject be discussed while no motion is pending, however, such a discussion can be entered into only at the sufferance of the chair or until a point of order is made...”

<sup>17</sup> In the absence of this rule, this action of making public these minutes would be made in executive session. RONR on p. 96 states, “the minutes, or record of proceedings, of an executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes – that is, the action taken, as distinct from that which was said in debate – was not secret, or secrecy has been lifted by the assembly.”

In addition, under RONR, lifting secrecy is a regular motion requiring only a majority vote, so any requirement for a two-thirds vote is more burdensome.

<sup>18</sup> In the absence of this rule, the minutes would not reflect who was absent from an Executive Session. See RONR beginning at p. 468 for the contents of minutes.

<sup>19</sup> In the absence of this rule, this information may not violate the secrecy of Executive Session. RONR on p. 96 states “A member can be punished under disciplinary procedures if he violates the secrecy of an executive session. Anyone else permitted to be present is honor-bound not to divulge anything that occurred.”

<sup>20</sup> In the absence of this rule, lifting secrecy would require only the consent of the LNC. RONR on p. 96 states, “the minutes, or record of proceedings, of an executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes – that is, the action taken, as distinct from that which was said in debate – was not secret, or secrecy has been lifted by the assembly.”

<sup>21</sup> In the absence of this rule, the minutes would not reflect disclosed conflicts of interest. See RONR beginning at p. 468 for the contents of minutes.

<sup>22</sup> Robert’s recommends against attempting to conduct business by electronic email, as it does not constitute a deliberative assembly and will result in many situations unprecedented in parliamentary law, and many rules and customs of parliamentary law cannot be applied. See RONR footnote on p. 1 and also p. 98 lines 14-19.

<sup>23</sup> In the absence of this rule, each day’s minutes would be approved at the beginning of the next day of the session and the final day’s minutes would be approved before the final adjournment, unless the body authorizes the executive board or a committee to approve the minutes at a later time. See RONR p. 473-475.

<sup>24</sup> In the absence of this rule, minutes would only be accessible by members of the Executive Committee. RONR p. 460 lines 13-20 states “Any member has a right to examine these reports and the record book(s) referred to on p. 459, lines 13-16 including the minutes of an executive session, at a reasonable time and place, but this privilege must not be abused to the annoyance of the secretary. The same principle applies to records kept by boards and committees, these being accessible to members of the boards or committees but to no others (but see p. 487, ll. 13-20).”

<sup>25</sup> In the absence of this rule, each day's minutes would be approved at the beginning of the next day of the session and the final day's minutes would be approved before the final adjournment, unless the body authorizes the executive board or a committee to approve the minutes at a later time. See RONR p. 473-475.

<sup>26</sup> In the absence of this rule and Bylaw Article 10.2, the LNC would select the committee sizes, select the committee members, and would have the option of appointing the committee chairs. See RONR p. 492, lines 13-22.

<sup>27</sup> Bylaw Article 10.2 requires a standing Audit Committee and specifies the details noted in the "size" and "member selection" columns of this table. In the absence of this row, the non-officer LNC members would have the option of appointing the committee chair. See RONR p. 492, lines 20-22.

<sup>28</sup> In the absence of this rule, the term of office of a special committee would expire when the assigned task is completed and the committee reported back to the assembly (see RONR p. 492 lines 3-7), except that in a board the special committee would expire with the body that appointed it (see RONR p. 502 lines 31-35). Standing committees are appointed for a term corresponding to that of the officers, but the members of standing committees continue their duties until their successors are chosen (see RONR p. 502 lines 14-25).

<sup>29</sup> In the absence of this rule, the chair would not automatically be a member – voting or nonvoting – on any committee, unless appointed to the position. See RONR p. 456-457.

<sup>30</sup> RONR p. 1 footnote states: "A group that attempts to conduct the deliberative process in writing – such as by postal mail, electronic mail (e-mail), or facsimile transmission (fax) – does not constitute a deliberative assembly. When making decisions by such means, many situations unprecedented in parliamentary law will arise, and many of its rules and customs will not be applicable (see also pp. 97-99).

<sup>31</sup> In the absence of this rule, without notice, the LNC can amend this with a two-thirds vote or a majority of the entire board; or with notice, the LNC can amend with a majority vote. See RONR, p. 306.

<sup>32</sup> LNC is delegating its authority. In the absence of this rule, such an amendment would require LNC approval.

<sup>35</sup> In the absence of this rule, a majority vote of the LNC would be sufficient to grant an honorary life membership. Note that honorary life memberships do not confer status as a sustaining member.

<sup>36</sup> See RONR, p. 264 line 29 – p. 265 line 7.

<sup>37</sup> Current Bylaws-specified committees include Judicial, Bylaws and Rules, Platform and Credential Committees.

<sup>38</sup> This policy assigns some tasks to the Audit Committee in addition to those specified in Bylaw Article 10.2.

<sup>39</sup> In the absence of this rule, the committee could not begin its work until all of its members were named (see RONR p. 496 lines 8-11).

<sup>40</sup> The term “fixed membership” is defined in the footnote on RONR p. 403.

<sup>41</sup> Note that the D.C. corporation code requires board approval to open a bank account.

<sup>42</sup> Article 10.4 states, “The National Committee shall have the power to designate the depository of all funds of the Party, and shall appoint such officers and employees as in its judgment may seem advisable to deposit and withdraw funds.” The National Committee is delegating its authority here in accordance with Article 8.1.

<sup>43</sup> In the event that a budget is not adopted by the LNC, Article 10.1 authorizes the Treasurer to spend money using the previous year’s budget. “The fiscal term of the Party shall begin on January 1 of each year. From January 1 until the National Committee has approved a budget, the Treasurer may authorize expenditures for any item incorporated in the previous year's budget as long as the level of expenditure is consistent with that budget.”

<sup>44</sup> Authorized by Bylaw 7.6.

<sup>45</sup> Authorized by Bylaw 7.6.

<sup>46</sup> Authorized by Bylaw 5.2.

<sup>47</sup> Qualifications for sustaining membership are defined by Bylaw Articles 5.3 and 5.5.

<sup>48</sup> In the absence of this rule there is no requirement in RONR to send such documents in advance. RONR p. 459 states that the Secretary is responsible for preparing “prior to each meeting, an order of business for the use of the presiding officer, showing in their exact

order, under the correct headings, all matters known in advance that are due to come up and – if applicable – the times for which they are set.”

RONR p. 372 states that a proposed agenda is not binding. “In some organizations, it is customary to send each member, in advance of a meeting, an order of business or agenda, with some indication of the matters to be considered under each heading. Such an agenda is often provided for information only, with no intention or practice of submitting it for adoption. Unless a pre-circulated agenda is formally adopted at the session to which it applies, it is not binding as to detail or order of consideration, other than as it lists preexisting orders of the day (pp. 364ff.) or conforms to the standard order of business (pp. 25-26, 353ff.) or an order of business prescribed by the rules of the organization (pp. 16, 25).”

It requires a simple majority for the LNC to adopt an agenda (RONR p. 372).

<sup>49</sup> Robert’s recommends against attempting to conduct business by electronic email, as it does not constitute a deliberative assembly and will result in many situations unprecedented in parliamentary law, and many rules and customs of parliamentary law cannot be applied.
