## Project VLI2020 Vote Libertarian Illinois 2020

Petitioning for President and U.S. Senator in Illinois 2020

### Mission

To enable citizens within the state of Illinois to vote in the November 2020 election for the Libertarian nominees for President and Vice-President of the United States, as well as the Illinois nominee for U.S. Senator.

### Goal

Starting March 24th, 2020, Libertarians have 90 days to deliver 25,000 valid signatures to place our Libertarian Party candidates on the Illinois ballot in the 2020 election. Because many thousands of signatures may be ruled invalid in a petition challenge, our goal is to collect 42,000 raw signatures.

### Signature Sources

National LP funded	21,000
Illinois LP funded	9,000
Illinois volunteer provided	12,000
<b>Total Signatures</b>	<b>42,000</b>

### Cost and Funding Estimate

#### Illinois LP

Illinois 9,000 paid signatures @ \$3.00	\$27,000
Illinois copies, mailings and supplies	\$1,500
<b>Total Needed Illinois LP</b>	<b>\$28,500</b>

#### National LP

National Libertarian Party 21,000 paid signatures @ \$3.00	\$63,000
<b>Total Needed National LP</b>	<b>\$63,000</b>
<b>Total Funds Required</b>	<b>\$91,500</b>

### Method

A VLI2020 committee will be formed to execute the mission and goals of the VLI2020 initiative. The Ballot Access Director of the Libertarian Party of Illinois will be the Chair of the committee. The committee will need the following members:
